What is KONTAKTIFY?

Does your website provide an easy and immediately visible way for visitors to get in touch; with YOU?

With KONTAKTIFY, your website's visitors reach you quicker! KONTAKTIFY collects all your contact info in a pretty widget - easy to find, yet unobtrusive! No sign-up required and it's free!

Supported Platforms?

For starters, we've added all the basics: Facebook, Twitter, Messenger, Snapchat - even good ol' email and phone! ;) Missing a platform? Shoot us an email!

How to install KONTAKTIFY?

1. Pick your channels, enter your accounts and customize the appearance of the widget.
2. Copy the script tag, and paste it on your site's home page. It should go just before the closing `</body>` tag.

Using different CMS platforms? Just follow the appropriate instructions.

3. That's it, **no third step needed**. After a reload KONTAKTIFY appears on your website!
